Central

Fun. Educational and Free.

Bring your family to The Big Bang to discover how much science and engineering affects your everyday lives – and everything you love to do. There's plenty for them to touch, ride, play and explore – plus real scientists and engineers on hand to answer all the 'HOWS?' and 'WHYS' they can think of. Plus, we've amazing shows like TV's Brainiac Live and Bang Goes the Theory to make it a day out to remember. It's a great day out for all the family – and it's totally FREE
